

Dear Friends and Corporate Supporters,

Dollars 4 Tic Scholars, a three-year-old foundation whose mission is to award college scholarships to students with Tourette Syndrome, needs your participation.

On February 23, 2018 we will present:

“Triple Threat! A Captivating Evening of Comedy, Mind Games and Magic with Gary Goodman” at the South County Civic Center, 16700 Jog Road, Delray Beach, FL at 6:30pm. We’ll enjoy a magical evening with illusions and comedy while raising money for our scholarship fund. The event will include dinner, beverages, raffles, and Foundation updates.

In order to make this a successful event, we would appreciate a contribution from you or your company/ organization. We have Sponsorship spots available. Sponsors will be advertised on all marketing material including the flyer, press releases, social media and at the fundraising event as well. We are also seeking items or gift baskets for raffle and for silent auction, and also small items for the giveaway Goody Bags.

Dollars 4 Tic Scholars is a not-for-profit 501(c)3 organization established in honor of Kelsey B. Diamantis. Our mission is to encourage students, like Kelsey, with Tourette Syndrome to attend college and to stay in college through awarding college scholarships as an investment in their future contributions to society. Students with Tourette’s have trouble focusing, studying and learning due to the distraction of chronic vocal or motor tics. **Since our beginning we have awarded 13 college scholarships to deserving students.** Please visit our website at <http://www.dollars4ticscholars.org>.

We would love to have you as a sponsor for “Triple Threat!” If sponsorship does not work for you at this time, revenue generated by your raffle donations will also help us provide scholarship funds to these deserving students for 2018. Please show your support by participating in this worthwhile event. Thank you for making a difference.

Respectfully,

Diane Diamantis, Co-Founder and President

*College Scholarships for Movers and Shakers
Encouragement for Students with Tourette Syndrome*
